The Karasch Difference

Standard Code of Ethics

At Karasch & Associates, we are proud to go above and beyond in adhering to industry guidelines. In addition to educational certifications, all of our providers are tested and trained by Karasch & Associates so we know that they are highly qualified and that you will receive the highest standard of service. You know that you are receiving the most reliable, secure, efficient, and ethical litigation services available.

When you work with the Karasch Litigation Support Division, you are not alone. You are supported not only by your Sales Executive, who is available to answer questions and provide you with competitive pricing, but also by our team of production and scheduling experts. Our production department provides routine quality control checks on transcripts to ensure the delivery of the highest quality possible. Karasch also offers 24/7/365 phone support for any urgencies that may arise.

From court reporting to software solutions, Karasch & Associates is the most trusted name for Litigation Support.
